*For lunch, the meal plan says to top pasta salad with grilled chicken or tuna. Tuna can be prepped by either: 1. Mix 1 can of tuna w/ 1-2 tsp mayo (don't forget to count this) and filling red container (scant 1 can = 1 RED); or 2. Mix 1 can of tuna with $\frac{3}{4}$ c. cottage cheese = 2 RED. Then use half one day and save rest for the next day. SO these ingredients with an * may vary based on your preferences.
